

KEEP Youth Council Meeting Minutes
Keeneland Race Track
May 17, 2008

The KEEP Youth Council held a meeting at Keeneland Race Track in Lexington on May 17, 2008. They met at 9:00 AM to watch horses in training and spoke with Jack Smith. Jack answered questions and gave a brief tour of the grandstand and clubhouse area. The council then toured the barn area and sales pavilion. They then broke for lunch and the business meeting.

President Kaelyn Donnelly called the business meeting to order at 11:50. Minutes were read and a motion to approve was made by Alex Browning. Jock Gurnee seconded and the motion passed. Minutes from the Officer Meeting were read.

Guidelines for volunteer work were discussed and are as follows:

- Anything you do with horses that you are not paid for and is not for your horse.
- Ranges from dates October 2007 to September 2008.
- Event personnel must sign to approve your volunteering.

Motion to approve guidelines was made by Colleen Haggarty and seconded by Alexander Thomson. Motion passed.

Next, the bracelet service project was discussed. The bracelets will be debossed in blue with white lettering. They will sell for \$3 at smaller events, school, etc. and \$5 at larger events. A motion to approve design was made by Alexander Thomson and seconded by Alex Browning. A motion to approve pricing was made by Jock Gurnee and seconded by Alexander Thomson. Both motions passed. Jessi will take care of ordering bracelets.

New Business was then discussed. We talked about our budget that we now have, possible volunteers for High Hope Steeplechase, and IQHRA internship. We also discussed a design for new t-shirts. They will be similar to sweatshirts but with back phrase lowered and last names added. A motion was made by Colleen Haggarty and seconded by Jock Gurnee. Motion passed.

The next meeting will be held July 12, hopefully at Equine Services in Shelbyville. More details will come soon. Motion to approved date and place was made by Jock Gurnee and seconded by Alexander Thomson. Motion passed.

Meeting was adjourned.
